ATTENTION PARENTS/GUARDIANS OF CHILDREN IN GRADES 4-6

NORTHUMBERLAND COMMUNITY CURLING CLUB is ***revamping*** its **Little Rocks** program.

We have scheduled this information session for **Sunday November 22, 2026, 1:30-3 pm at Northumberland Community Curling Club, Pugwash.** Going forward, this time frame will also be the new scheduled time for the Little Rocks program.

In addition to Pugwash Elementary School, scheduling this program for Sunday afternoon will make it available to children from other schools in the area. Families from Oxford, Northport, Wallace, Wentworth and Tatamagouche areas, will now also be able to have their youth participate in this great introductory program.

We strongly suggest that parents/guardians chose to stay to watch their children during the time allotted for the Little Rocks program. And, if you have the interest, to become involved as a volunteer.

The Little Rock program is FREE OF CHARGE and will run until February 21, 2027.

Key points to remember:

- Info & registration session Nov 15/26 1:30-3pm at **NCCC**, Pugwash
- Start up date to be communicated at later date
